**Extensive
Multimedia Library**

A robust library of 450+ videos including examination and procedural reviews and supplemental animations. All designed to simplify complicated subjects, demonstrate best practices, and take learning off the page.

An unparalleled digital library:

Connect instantly to the most updated versions of landmark titles that are key to succeeding in the EM field. **Titles include:**

- | | |
|--|--|
| ▶ <i>Tintinalli's Emergency Medicine</i> | ▶ <i>Goldfrank's Toxicologic Emergencies</i> |
| ▶ <i>Tintinalli's Emergency Medicine: Examination & Board Review</i> | ▶ <i>Ma & Mateer's Emergency Ultrasound</i> |
| ▶ <i>Tintinalli's Emergency Medicine Manual</i> | ▶ <i>The Atlas of Emergency Medicine</i> |
| ▶ <i>Current Diagnosis & Treatment: Emergency Medicine</i> | ▶ <i>Simon's Emergency Orthopedics</i> |
| ▶ <i>Strange & Schafermeyer's Pediatric Emergency Medicine</i> | ▶ <i>Atlas of Suturing Techniques</i> |
| ▶ <i>Reichman's Emergency Medicine Procedures</i> | ▶ <i>Emergency Medicine: PreTest® Self-Assessment and Review</i> |
| | ▶ <i>Case Files: Emergency Medicine</i> |
| | ▶ <i>Emergency Medicine Q&A: Pearls of Wisdom</i> |

Comprehensive test prep and self-assessment

AccessEmergency Medicine® offers an exam prep and self-assessment line-up that will help you excel on important board and licensure exams.

Get access to:

- ▶ Test prep featuring 3,000+ review Q&As designed to help residents, clerks, and re-certifying physicians prepare for exams.
- ▶ A guided Residency module built around the EMReC curriculum that delivers a multi-modal review of major topics.
- ▶ A guided Clerkship section built around the curriculum in a simple weekly structure that delivers an effective review of major topics.

Quick Reference Tools

A wide variety of reference tools for quick, accurate information when it is needed most:

- ▶ ***Tintinalli's Necessary Takeaways*** – Engaging lectures outlining the most important details from chapters, including both board review tips and clinical pearls.
- ▶ ***To the Point: Clinical Reviews*** puts together the best in the latest journal publications – curated by our expert editors and advisory board.
- ▶ ***Integrated Drug Database*** – Intuitive database for looking up dosing, indications, and adverse reactions quickly – for generic and brand-name drugs – with printable patient handouts in English and Spanish.

Other Features:

Downloadable Images

Thousands of photos and illustrations that aid in visual diagnosis are available to save and download for presentation and educational purposes.

Case-based Learning

Leverage the power of real-world scenarios with a collection that includes our acclaimed Case Files® series. Help your learners think critically and master clinical application.

Access and Support

AccessEmergencyMedicine is easy to use and can be accessed inside or outside of your institution, on any device. Rely on us for support, timely reporting, and everything you'll need to ensure strong usage.

Patient Education

Comprehensive, reliable healthcare information for adult and pediatric patients, as well as medications, is available in multiple languages for thousands of topics. Help patients understand their care and improve their health.
