

1. When **Deactivated** users attempt to sign on @ cedirect.continuingeducation.com they will be re-directed to Nurse.com and see the message below:

ACCESS YOUR TRANSCRIPTS ONLINE AT NURSE.COM

Unfortunately, your CE Direct account is no longer available through your employer. But don't worry! You can still access your course transcripts through Nurse.com and receive great offers on all CE courses.

Once you create a free Nurse.com account, your CE Direct course transcripts will automatically be transferred to it. Look for the "My Transcript" link at the top of the page to access your transcripts.

Create a Nurse.com account

You can enter your personal email if you no longer wish to use your work email.
